

The Personal Visit

Especially for high school students and individually tailored to fit your needs, the Personal Visit enables you to customize your day with individual appointments, which may include:

- A general information session
- Student-led campus tours
- A discussion with a professor or visit to a class
- A meeting with a coach (when permitted by NCAA rules)
- Lunch in one of our campus cafeterias
- Contact your [admissions counselor](#) for advice on transportation to campus.
- Se ofrecen tours de la universidad en español con guías que hablan español si se necesita. (Tours of the university are offered in Spanish with guides that speak Spanish if needed.) También se puede hacer cita con un intérprete bilingüe, si le ayudaría a Ud. utilizar ese servicio. (It is also possible to make an appointment with a bilingual interpreter if this service would help you.)

Please call the Office of Admission at 1-888-GO-VALPO or 219-464-5011 to register at least two weeks before your visit so that we may customize your day.
