To Apply for Summer Financial Aid at Valparaiso University

1. To be eligible for federal student loans, you must enroll in at least 6 credit hours as an undergraduate (4.5 for graduate) across the entire summer. This may include, for example, 3 credits in Session I and 3 credits in Session II, or 6 credits in either Session I or II.
2. Submit the Summer Financial Aid Application to the Financial Aid Office, after you have completed your registration for summer courses.
3. You are also required to complete a **2011-2012 Free Application for Federal Student Aid (FAFSA)** and to have the resulting information submitted to the Financial Aid Office. If you had not previously had your data submitted to VU, you may do so by listing VU on your FAFSA (school code 001842). **Note: If you have not already filed a 2011-2012 FAFSA, the Federal Processor must receive it by June 30, 2012.** However, if you are enrolling in Session 1 only, the Financial Aid Office must receive the FAFSA results before the end of Session 1. All aid must be processed by the last day of the enrollment period.
4. When your summer application file is complete, a financial aid staff member will complete your summer award and send an award letter to you. If you wish to discuss your summer aid, you are welcome to visit with a financial aid counselor, either when you turn in your application or after you receive your award letter.
5. If we have requested documentation to verify your application (e.g., tax returns, W-2 forms, etc.), please be certain those are submitted promptly. Pending financial aid must be cancelled for students whose documentation is not received prior to the last date of enrollment.
6. Please keep in mind that the loans you receive during the summer may affect the loans you receive during the upcoming fall and spring semesters.

Tuition Remission students please note: In addition to this summer Financial Aid Application, all graduate students, part-time undergraduate students and part-time law students must also complete a Tuition Remission Application with the Office of Human Resource Services. (Full-time undergraduate students and full-time law students who have a Master TR application on file, do not need to complete a TR application for the summer.)

Important: Should your enrollment change after you have submitted your financial aid application, please notify our office immediately.

If you have any questions or concerns about your summer financial aid, or if there is any way in which the financial aid staff can be of assistance to you, please don't hesitate to contact our office:
