

THE VALPOFUND

The *VALPOfund* is the cornerstone of all fundraising efforts at Valparaiso University. Through gifts to the fund, Valpo alumni, parents and friends enable the university to invest in world-class teaching and provide aid to bright, talented students who otherwise might not be able to attend.

Give to a Place Where Your Gift Makes a Difference

Each gift to the *VALPOfund* has an immediate and positive impact on the educational mission of Valparaiso University. These gifts, added together, make the difference for students and are an inspiration for others in their support of Valpo.
