The units include furnished suite-style apartments for two, three or four students. Students will benefit from other amenities including private bathrooms for each bedroom, a washer and dryer in each unit, internet service (not a part of the University's network) including wireless service in the common areas of each unit. The facility also includes a small DVD theatre, group study rooms, a computer room, and a common fitness center and game room.

### Time to Study - 24 Hour Quiet Hours

Because final exam week is a stressful time when residents may be sleeping and studying at any time of the day and night, 24-hour quiet hours are observed. This allows residents the opportunity to study and rest without distraction.

24 Hour Quiet Hours begin on Friday, December 9 at 10:00 PM and continue until Friday, December 16 at 6:00 PM.

Residents who violate this policy will be assessed a \$5 fine for each violation. Be courteous and good luck on your finals!
